## TRIBUTE TO SCHEERER—

(Continued from Page 9)

Other qualities? They could be named—such as fairness, modesty, integrity—but time does not permit us to dwell on these things. Suffice to say that the Louisiana Library Association lost a close and dear friend in the passing of Ernest Justus Scheerer. The many monuments, tangible and intangible, which he has left behind will be a constant reminder to us to give the very best we have to our profession, and to that happy blending of people and books.

*Though an earlier tribute to E. J. Scheerer was included in the Winter, 1966 issue of LLA Bulletin, we feel compelled to add to the record this encomium to a devoted life. May it inspire those of us in the practice of librarianship and those contemplating entrance into this honorable profession, the sum and substance of which equals people and books.—Ed.*
